SUMMARY

Creative and detail-oriented UI/UX Designer with strong knowledge of user-centered design, Figma, and prototyping tools. Skilled in wireframing, mockup creation, and improving user flows. Passionate about crafting intuitive digital experiences.

WORK EXPERIENCE

Student Faculty, Christ University, Bangalore **July 2024 - Mar 2025**

- Designed and taught courses on various Computer Science topics focused on design and data for non-computer science students.
- Utilized interactive platforms, hands-on workshops, and real-world projects to enhance student understanding and retention.
- Provided one-on-one tutoring, group sessions, and constructive feedback to support student learning and progress.

Internship, TheTakeTwo, Gurugram **Dec 2024 - Mar 2025**

- Designed and developed visually appealing web pages and graphic content tailored to client needs.
- Collaborated with cross-functional teams to create user-friendly interactive designs and improve overall user experience.
- Managed design projects from conception to completion, ensuring timely delivery and high-quality results.
