History

EduLink initially started as a Startup by the students of various departments of Christ (Deemed to be University), Bangalore to help students from various courses and background, to provide accessible education through the form of Internet. Today EduLink has partnered up with more than 1000+ Universities across India and Worldwide catering over to 700 Million Students and Faculties

Our Goals

At EduLink, our goal is to empower students from all backgrounds to thrive and educate. We believe that education should be accessible and transformative, enabling learners to pursue their passions and make a meaningful impact.

Through our carefully crafted courses, we aim to

Achievements

Provide Practical Skills

We focus on delivering practical skills that are relevant to the current industry demands. Our courses are designed to equip learners with the knowledge and tools needed to excel in their chosen field.

Foster Creative Problem-Solving

We encourage creative thinking and problem-solving abilities, allowing our students to tackle real-world challenges with confidence and innovation.

Promote Collaboration and Community

We believe in the power of collaboration and peer learning. Our platform fosters a supportive and inclusive community where learners can connect, share insights, and grow together.

Stay Ahead of the Curve

The digital landscape is constantly evolving, and we strive to stay at the forefront of industry trends. We regularly update our course content to ensure our students receive the latest knowledge and skills.

Trusted by Thousands

We have successfully served thousands of students, helping them unlock their potential and achieve their career goals.

Award-Winning Courses

Our courses have received recognition and accolades in the industry for their quality, depth of content, and effective teaching methodologies.

Positive Student Feedback

We take pride in the positive feedback we receive from our students, who appreciate the practicality and relevance of our course materials.

Industry Partnerships

We have established strong partnerships with industry leaders, enabling us to provide our students with access to the latest tools and technologies.

Together, let's shape the future of digital innovation

Join us on this exciting learning journey and unlock your potential in design and development.
